Diagram illustrating the assembly of the car head. The main component is the car head, labeled 'Car head'. The assembly steps are indicated by numbered callouts:

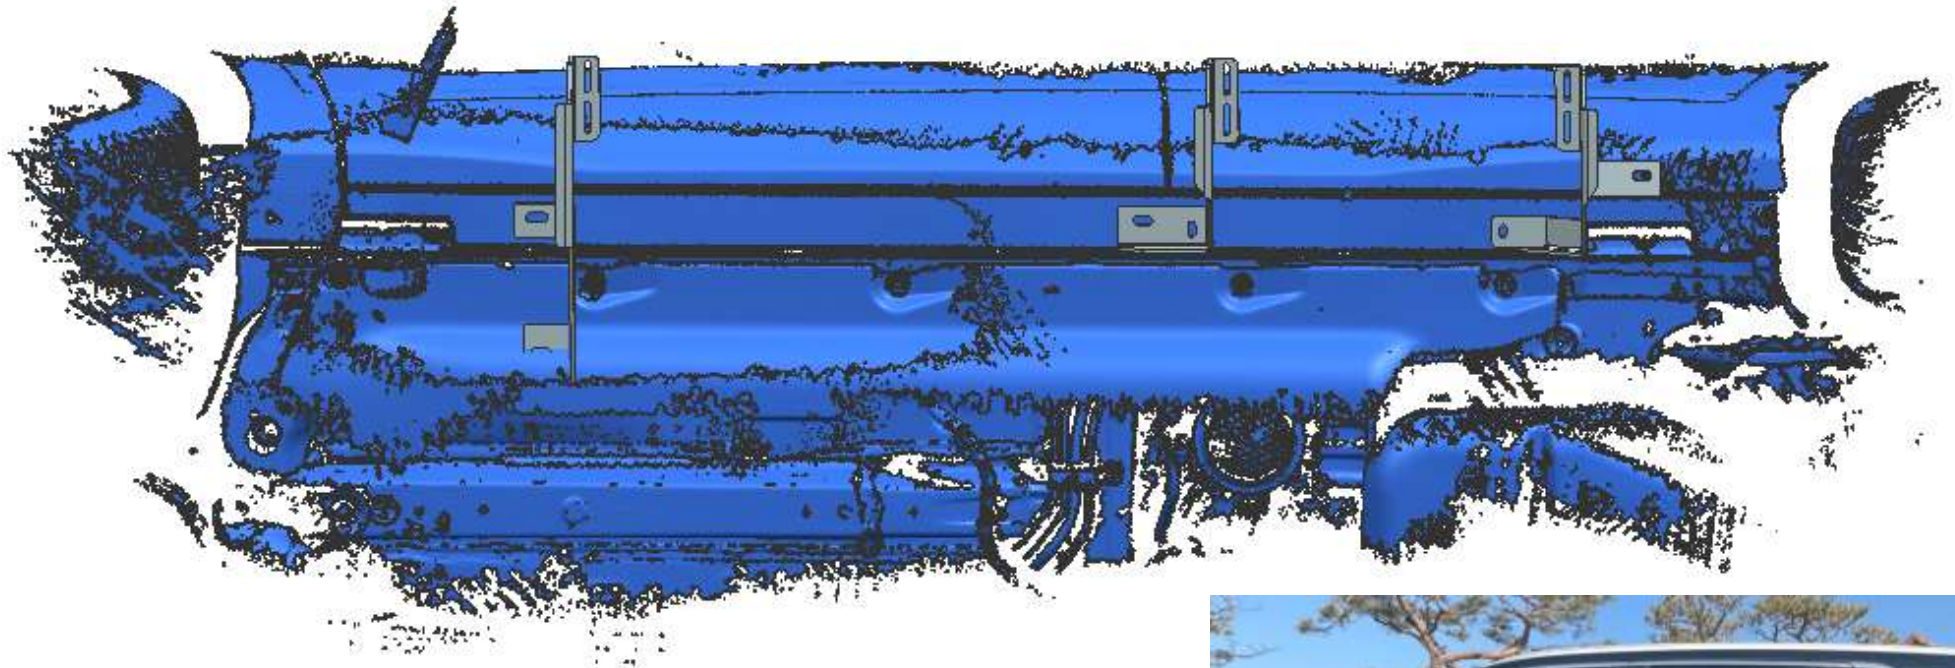

- 1: Assembly of the front suspension components.
- 2: Assembly of the front suspension components.
- 3: Assembly of the front suspension components.
- 4: Assembly of the front suspension components.
- 5: Assembly of the front suspension components.
- 6: Assembly of the front suspension components.
- 7: Assembly of the front suspension components.
- 8: Assembly of the front suspension components.
- 9: Assembly of the front suspension components.
- 10: Assembly of the front suspension components.
- 11: Assembly of the front suspension components.
- 12: Assembly of the front suspension components.

Step 1: Verify all parts are present.

Step 2: Install the brackets and running board on the bottom of vehicle as above picture.

Step 3: Check the running board if it install correctly, then tighten all the hardware.

Step 4: Installation finished.

Complete Installation:
