Attention:

- Please read this installation menu before installing this part.
- You may need to periodically to re-tighten all hardware for safety use after installation.
- Installation pictures are only for your reference, there might be some differences between pictures and real parts but no affect for your fitting.
- The Lower two studs on rocker panel have a thick paint coat on them. We recommend to use Steel brush to clean up paint build up before installing bracket set
- Remove all Under Chassis Plastic Shield to locate Chassis hole to bracket mounting
