Installation Steps

Installation Diagram:

Step 1: Verify all parts are present.

Step 2: Put these parts in the corresponding positions according to the above installation diagram, assemble the tubes parts each other and ensure the roll bar can stand up. Install front middle tube ①, rear middle tube ② and middle decoration plate ⑦ with standard parts ⑮ ⑰ and ⑭ ⑯ ⑱. (Do not tighten standard parts to provide sufficient adjustment space for subsequent installation)

Step 3: Assemble left decoration plate ⑧ and right decoration plate ⑨ with standard parts ⑬ ⑮ ⑰, the standard parts can be pre-tightened (During installation if you find the place is not
